Re: *General Conference Corporation of Seventh-Day Adventists, et al. v. Walter McGill, et al.*; U.S. District Court Docket No. 1:06-cv-1207

Dear Mr. McGill:

In your deposition taken November 9, 2015, on behalf of the Plaintiffs, I requested that you provide four late-filed exhibits. They were:

Exhibit 8 – Late-filed mailing list with names of 100 to 300 people with their email addresses, and any other information contained on the mailing list;

Exhibit 22 – Late-filed – copies of all emails between you and Mr. Aguilar with regard to the Plaintiffs’ pending Motion to Add Further Specifics;

Exhibit 23 – Late-filed – a list of all of the email address that you and your wife currently use, as well as all email addresses used in the past; and

Exhibit 24 – Late-filed – copies of all follow-up communications (this would include emails) between you and any and all persons listed on your mailing list after you sent a copy of the Plaintiffs’ pending Motion to them.

Our not having received these materials as requested necessitates an extension of time within which to prepare and file the Reply Memorandum. The purpose of this letter is to again request that you promptly provide all of the requested materials to me as late-filed exhibits, and that you agree to an extension of time for the Plaintiffs of two weeks from the date that you provide them within which for the Plaintiffs to prepare and file their Reply Memorandum. Failure on your part to promptly provide these materials will necessitate the filing of a motion to compel seeking an order from the Court compelling production and other relief, including the possibility of attorneys’ fees. Accordingly, if we do not receive these materials, the motion to compel will be filed no later than Monday, November 30, 2015.
